Uniform

At St Bernard's we take great pride in our school and belonging to the family of St Bernard. When students wear the same uniform, they represent their school and its values, encouraging them to behave respectfully and responsibly both inside and outside the classroom. A smart appearance reflects a positive attitude towards learning and demonstrates respect for the school, staff, and fellow students.

Below are our current school uniform expectations

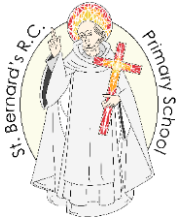

:

This can be a plain red polo shirt and plain grey sweatshirt/jumper if required.

Plain grey skirt/trousers and black shoes

St Bernard's R.C. Primary School

Please can the following be worn for PE

This can be a plain red t-shirt/plain dark blue shorts/leggings/jogging pants

(no football shorts).

School Uniform is available at Whitakers Bolton and available to order online

We do have lots of pre-worn uniform in good condition that will be available under Reception/KS1/KS2 shelter week beginning 6th July before and after school.

Children will also need a red book bag for September like the one below. We do not have the room for any other bags in school due to fire safety regulations so please purchase either a red plain book bag or we have St Bernard's logo book bags available at the school office.

We are hoping that by sharing this information with you before the summer holidays correct clothing/bags can be purchased.

If you need any support with uniform or book bags please contact the school office and we will be happy to help.
