

St Bernard's RCP School

Faith in Action Award

Dear Parents,

Year 6 Class are excited to be taking part in a Faith in Action Award. The whole class have said they would like to complete it. The award involves your child in taking part in 20 hours of volunteer work in school (10 hours) and in the community (10 hours). The hours in school will be planned throughout the academic year starting with the Macmillan Coffee Morning.

The volunteering activities in their local community will obviously take place at home. The children will then report their hours to me and I will help them complete their evidence log. More information can be found at www.faithinactionaward.co.uk or www.dioceseofsalford.org.uk/services/youth/faithinction.

Thank you for your support in this Award, especially with the 10 hours of volunteer work at home.

Yours sincerely,

Mrs Grant.
