Autumn Term – 10th October 2025

In Jesus' footsteps, we reach out to others with love and respect.'*

This week at St. Bernard's

Our children have had another busy week at school.

We are now heading into week 7 of our Autumn term and you may have noticed that your child is feeling tired which is usual at this point in the term. We want to remind them all that they are SUPERSTARS with their positive attitude towards learning and their kindness towards each other – keep going!

In class, our year 4 children travelled back in time to Anglo-Saxon England; our year 1 children have been creating collages in art and they have been describing properties of materials in science. In year 3, our children have enjoyed their drumming lesson using the bamboo tamboos and our reception class children have been using their voices to explore different singing voices – they sounded wonderful, I have been told.

Have a lovely weekend everyone.
