

St. Bernard's Newsletter

'A unique family in faith, love and learning'

Autumn Term – 21st November 2025

*'Jesus is the heart of our Catholic school and church family.
In Jesus' footsteps, we reach out to oth*

This week at St. Bernard's

We have had a great week at school, albeit we are feeling the cold a little bit now. Please make sure your child comes to school with a suitable coat to keep them warm when they are outside.

This week our reception class children had a visit from Goldilocks and the three bears. They thoroughly enjoyed seeing these wonderful characters and making and tasting some porridge.

In year 1 the children have used role play to learn and understand about the characters they are reading about in their class book. This is an excellent way of helping the children to consider what the characters might be thinking and feeling.

Our year 3 children have been scientists learning all about opposing forces and the effects of friction.

Our year 6 children took part in Bikeability learning basic cycle controls and experiencing real cycling on our local roads.

It's beginning to feel a bit like Christmas. As I wander along the corridors, I can hear children practising their singing preparing for the Nativity and Song book Performances.

Vacancy at school

We are currently advertising a permanent position for a Senior Clerical Assistant for 25 hours per week from 9am – 2.30pm – click on the link for more information.
